United Way's 2-1-1™ closes the gap between those in need and those with the resources to meet that need by connecting individuals or families with the right agency that can help the most — right now.

United Way of Northeast Georgia's 2-1-1™ exists because we believe every community member is valuable and has a right to quality education, financial stability, and a healthy lifestyle. We connect callers with a trained, bilingual Contact Center agent who helps assess their needs and provides detailed information and referrals to governmental and community service agencies.

United Way's 2-1-1 is free, confidential and available 24 hours a day, 365 days a year, in 140 different languages

Ways to connect to services: Call: 2-1-1 or 706-353-1313 Text: 898-211
